PROFESSIONAL CLEANING

INFORMATION SHEET:

Drain Cleaner & Maintainer

Our Drain Cleaner & Maintainer tablets are a powerful enzyme treatment for drain lines, toilets and septic tanks. They release millions of beneficial bacteria to speed up the biodegradation of fats, oils, greases and other organic waste to eliminate blockages, smells and reduce pumping.

* BENEFITS

- ✓ Digests grease and other wastes
- ✓ Keeps drain lines free flowing
- ✓ Helps protect drain fields
- ✓ Unblocks drains
- ✓ Stops smells
- ✓ Safe for all plumbing
- ✓ Enzyme producing bacteria
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

* APPLICATION AND DIRECTIONS

Drains: Dissolve one tablet in a sink or bucket with 4-5 litres of tepid water. Remove the sink plug or pour the solution evenly into all drain lines. Repeat monthly.

Toilets and septic tanks: Drop one tablet into the toilet bowl and flush. Use one tablet per month for each tank capacity of 4,500 litres.

NB: Do not use with anti-bacterial products and cleaners.

* TECHNICAL DATA

Figures are typical values and should not be used as specifications.

Appearance:	Solid
Colour:	Blue
Water solubility:	Partially miscible
Viscosity:	Viscous
Relative density:	1.04g/3cm (20°C)
pH:	<2 at 100 grams per litre

* AREAS OF USAGE

- Pipe lines
- Drain lines
- Toilets
- Septic tank systems

* BACTERIA COUNT

Total count:	9.80×10^7 cfu/g
Spore count:	1.59×10^7 cfu/g
Gram-negative count:	Not detected

The bacteria in our tablets produce amylase, cellulase, lipase and protease. These are all essential enzymes for the degradation of organic matter. They do not contain any free enzymes.

* PRODUCT INFORMATION

Product Name:	Drain Cleaner & Maintainer
Product Code:	SEP010RET (10 tablets per tube)
Expiry date:	2 years from manufacture date

* STORAGE AND HANDLING

Store in a cool, dry, well ventilated area. Keep tube closed when not in use and keep out of children's reach. Full guidance on handling and safe storage is in the safety data sheet, including first aid measures and health and safety requirements.

* THE ENVIRONMENT

Proper dosage saves cost and minimises environmental impact. Delphis Eco encourage users to reduce waste going to land fill by recycling empty tubes and closures.
