DELPHIS eco
PROFESSIONAL CLEANING

MINI GUIDE:

Drain Cleaner & Maintainer

* APPLICATION & DIRECTIONS

Drains: Dissolve one tablet in a sink or bucket with 4-5 litres of tepid water. Remove the sink plug or pour the solution evenly into all drain lines. Repeat monthly.

Toilets and septic tanks: Drop one tablet into the toilet bowl and flush. Use one tablet per month for each tank capacity of 4,500 litres.

NB: Do not use with anti-bacterial products and cleaners.

* AREAS OF USE

- Pipe lines
- Drain lines
- Toilets
- Septic tank systems

* WARNINGS

Use only as directed. Do not mix different cleaners. Seek medical attention if in discomfort or if any symptoms persist.

Eye contact: Avoid contact with eyes, if product gets into eyes, rinse with water. Can cause eye irritation if used incorrectly.

Skin contact: Avoid contact with skin, if product gets onto skin wash with water and remove any contaminated clothing.

Ingestion: Do not drink, if swallowed drinking water may be beneficial, do not induce vomiting.

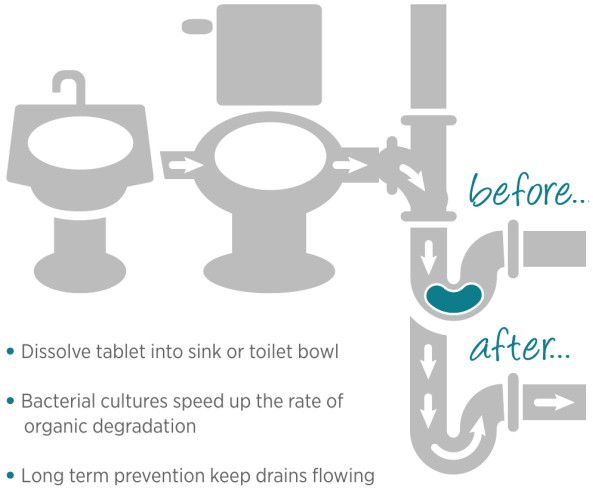
Inhalation: Avoid inhaling product, move to fresh air if in discomfort.

* PPE

Always wear the correct protective clothing if required. For best results we recommend using the correct dosing and colour coded microfibre cloths.

* DISPOSAL

Dirty, used solution should be disposed of via drains that lead only to foul sewers. Do not allow detergent solutions to contaminate surface water drains. In the event that concentrated product should need to be disposed of, run small amounts to foul waste, diluting with plenty of water. For larger quantities, seek advice on disposal from the local authorities. Delphis Eco products are packed in fully recyclable containers. Empty containers should be rinsed thoroughly, the washings being run to foul waste. The containers may then be sent for recycling. Dispose of all waste in a responsible manner. Be aware of the environment.



- Dissolve tablet into sink or toilet bowl
- Bacterial cultures speed up the rate of organic degradation
- Long term prevention keep drains flowing
