Bio Laundry Detergent

DELPHIS
eco
PROFESSIONAL CLEANING

Our Bio Laundry Detergent gives exceptional results even at low temperatures, fighting dirt and stains and keeping your whites bright. Suitable for all textile types & colours.

Benefits

- ✓ Uses enzyme technology for effective soil & stain removal at 40°C
- ✓ Free from chlorine bleaches, phosphates, phosphonates, APEs, low VOCs (fumes) when diluted
- ✓ Readily biodegradable
- ✓ Never tested on animals
- ✓ Septic tank-safe
- ✓ Made in the UK
- ✓ 1st EU Ecolabel (DEFRA) accredited ecological cleaning manufacturer in the UK.

Application and Directions

Light soiling: 7ml per kg dry textile

Heavy soiling: 14ml per kg dry textile

Use with Delphis Eco auto-dosing equipment or directly into the machine. Can be used in pre-wash and main wash.

Low-temperature washing reduces carbon emissions, prevents textile fibre release into waterways, saves money & prolongs textile life

Areas of Usage

Suitable for all types of washing machines.
