Laundry Fabric Conditioner

DELPHIS
eco
PROFESSIONAL CLEANING

Our Laundry Fabric Conditioner smooths textile fibres for a comfortable feel and easier ironing. The fresh linen fragrance is delicate for sensitive skin while adding a long-lasting aroma to textiles. Compatible with all textile types (exc. microfibres & Kylie sheets), do not use alongside starch.

Benefits

- ✓ Innovative encapsulated fragrance technology for long-lasting fresh aroma
- ✓ Improves textile softness & durability
- ✓ Controls static & reduces water retention in textiles after washing
- ✓ Free from chlorine bleaches, phosphates, phosphonates, APES, low VOCs (fumes) when diluted
- ✓ Readily biodegradable
- ✓ Never tested on animals & septic tank-safe
- ✓ Made in the UK
- ✓ 1st EU Ecolabel (DEFRA) accredited ecological cleaning manufacturer in the UK

Application and Directions

Minimum dosage: 4ml per kg dry textile

Maximum dosage: 9ml per kg dry textile

Dosage depends on the level of textile softness and the strength of fragrance preferred.

Use with Delphis Eco auto-dosing equipment in final rinse.

Low-temperature washing reduces carbon emissions, prevents textile fibre release into waterways, saves money & prolongs textile life

Areas of Usage

Suitable for all types of washing machines.
