# Heavy Duty Degreaser

**Our Heavy Duty Degreaser is a powerful, industrial strength cleaner. It uses a combination of naturally derived vegetable extracts and powerful surfactants to cut through heavy grease, grime, oil, fat and ink from hard surfaces to leave them clean and shiny. It offers the same benefits of a solvent product but with the health and safety considerations of a detergent.**

## Benefits

- ✓ **Free from:** Solvents, VOC's, EDTA, NTA, fragrance and dye, APEs
- ✓ For domestic and industrial use
- ✓ Removes heavy soiling
- ✓ Safe on paint, aluminum, metal, glass, rubber
- ✓ Effective in hard and soft water
- ✓ Hot or cold pressure washers and scrubber dryer machines
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

## Areas of Usage

- Foors, walls, tiles
- Kitchen appliances
- Stainless steel work surfaces
- Food preparation areas
- Polished surfaces
- Worktops and desks
- Garages tools
- Vehicles and engines
- Machinery and industrial equipment
- Soft furnishing – carpets and curtains
- Glass

## Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.

## Application and Directions

**Manual cleaning:** Apply a small amount to a damp cloth and wipe surface. For heavy cleaning spray directly onto surface, leave to stand and wipe clean. For larger surface areas such as floors, use a mop and bucket.

**Machine cleaning:** Dilute up to 1:200 parts water via pressure washer or scrubber dryer machine. Adjust dilution to maximise results.

**Ink removal:** Use neat or dilute depending on soiling. Apply with a brush or swab. Rinse with clean water.

**NB.** For food preparation and storage surfaces rinse with water after cleaning.

**General cleaning:** 1 part concentrate to up to 50 parts water.
**Light cleaning:** 1 part concentrate to up to 80 parts water.
**Heavy cleaning:** 1 part concentrate to up to 10 parts water.

**Proper dosage saves cost and minimises environmental impact:** Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

## Technical Data

Figures are typical values and should not be used as specifications

| | |
|---|---|
| **Appearance:** | Liquid |
| **Colour:** | Colourless |
| **Odour:** | Barely perceptible odour |
| **Evaporation rate:** | Slow |
| **Solubility in water:** | Soluble |
| **Boiling point/range°C:** | 100 |
| **Freezing Point:** | 0°C approx |
| **Relative density:** | 1.010 conc. / 1.00 @ 20°C RTU |
| **Vapour Pressure:** | Water=18mm Hg |
| **pH:** | 12.5 conc. / 7.0 RTU |

## Supplier Information

**Product Name:** Heavy Duty Degreaser
**Product Code:** DGR007 (700ml RTU)
DGR050 (5ltr conc.)

**Supplier:** Delphis Eco Ltd, The Leather Market,
Lefone House unit 202, 11-13 Weston Street,
London SE1 3ER
**t:** 0203 397 0096
